Introduction

CIMP is pleased to announce its 1st Faculty Development Programme (FDP) on “Research Methodology – An Introduction”, which will be offered during July 03 – July 07, 2023. FDPs of the Chandragupt Institute of Management Patna (CIMP) aims at professional development of faculty members and research scholars of educational institutions in India.

The FDP on “Research Methodology – An Introduction” is the first of a four-part FDP on Research Methodology to be conducted over one year and intends to provide participants answers on how to conduct and publish meaningful research. The FDP on “Research Methodology – An Introduction” will focus on providing participants with basic clarity on research and scientific methods, how to define research problem, objectives, framing of hypothesis and types of research design.

The FDP will be held in online mode.

For Whom

The FDP is designed for faculty members and research scholars of educational institutions working in management schools, technical institutions, universities, colleges and professional institutes especially in the areas of management, social sciences, economics and agricultural sciences.
