How to Reach
Patna

MESSAGE FROM **THE CHAIRMAN** BOARD OF GOVERNORS

The idea for establishing an institute of management in Bihar was conceived at a time when the rest of the world had started looking towards India as the next economic superpower. While the country showed promising signs to gain economic supremacy, we also felt the need for quality institutions, which could contribute towards realization of this goal. We needed new centers of excellence and leadership, which could produce visionary leaders capable of launching India into an era paralleled only by her glorious past. We needed new centers of nation building, which could propel all inclusive growth and development so that each and every section of the country could rightfully and happily

identify with the advancement. It was with this vision that the idea of Chandragupt Institute of Management Patna (CIMP) was born. The Institute is named after Chandragupt Maurya, the king of Pataliputra, who became the first Indian emperor to unify almost whole of the Indian subcontinent. A protégé of Chanakya, he proved to be an able administrator in his own right. CIMP was envisioned as an institution providing nationally and internationally relevant management education and research facilities. CIMP is also expected to contribute to the development of Bihar and other eastern states of India, fulfilling the need for all round and inclusive growth.

I am pleased to note the achievements of the institute in a short span of time. The Institute has made a name for itself in the arena of management education internationally. The graduates are well placed in their chosen career paths. The research and consulting expertise of the institute is reflected at prestigious forums. I am sure that CIMP will be able to achieve its mission and lead India and Bihar to redeem her past glory. I hope and pray that we will get help and support from all quarters of society. I welcome and invite you to join this mission and embark on an inspired journey called CIMP.

My Best Wishes

Nitish Kumar

Hon'ble Chief Minister of Bihar

MESSAGE FROM THE DIRECTOR

We deem it our valued privilege to extend our warm invitation to participate in the Final Placement Program for the 2022-2024 batch and the Summer Internship Program for the 2023-2025 batch. We are glad to share the fact that the placement of the previous batches has been very encouraging. We take this opportunity to extend our heartfelt thanks to all the companies and their HR professionals that have provided employment /opportunities to our students and alumni.

We have a long list of recruiters from various industries including FMCG, BFSI, Consulting, Government, and allied sectors. We are glad to share that the students studying at CIMP are selected from a large pool of applicants

who get final selection after a rigorous process of GD/PI. Top companies like AMUL, ITC, Colgate Palmolive, Marico Ltd., Prism Johnson Ltd., Berger Paints, Asian Paints, Airtel, Utkarsh SF Bank, Bharat Financial Inclusion Ltd., HDFC Ltd., HDFC AMC, HDFC Bank, ICICI Bank, Yes Bank, L&T, NDDDB, HUL, Bandhan Bank, Tata Advanced Systems, Jeevika, DCB Bank, Aditya Birla and Axis Bank to name a few, have been recruiting from CIMP.

We take this opportunity to express our heartfelt thanks to all the members of the HR Fraternity for hiring our students /alumni for summer internship/final placements. We are also thankful to all the HR professionals who have been visiting our campus year after year which shows their consistent confidence in the students passing out from here.

CIMP's achievements within a short period of time are laudable by any standard. AICTE has recognized and approved the PGDM programme. I am happy to inform you that our PGDM programme received accreditation from the National Board of Accreditation (NBA). It is, in a way, an assurance to companies visiting CIMP for campus placements, on the rigour of our academic programmes. Our PGDM programme is also recognized by the Association of Indian Universities (AIU) as Equivalent to MBA.

We have started the PGDM (IEV) Programme with effect from the current Academic Year 2022-23. The Post Graduate Programme in Management (Innovation, Entrepreneurship, and Venture Development) has been approved by All India Council for Technical Education, Ministry of Education, Government of India.

It gives me immense pleasure to inform you that CIMP has become the only management institution in Bihar established by Govt. of Bihar to get India Ranking 2023, Rank Band 101-125 in Management Category. This is just the beginning and with support from all the stakeholders including the HR Fraternity, we will march towards more inspiring milestones in the future.

CIMP has a world-class infrastructure to its credit. We have a Library Resource Centre which has collaborated with DELNET and Harvard Business Publishing, an independent unit of Harvard Business School. In addition to our internal faculty (all from IIMs, IITs, and similar other reputed institutes), top professionals from the corporate world provide high-quality academic inputs to our students.

CIMP is also emerging as one of the best in creating research output among the young national management schools in India. We have produced many internationally accepted research papers. This is in addition to us completing more than six dozen prestigious sponsored research projects from national and international agencies.

Innovative orientation, institutionalized in all its manifested forms, is infused into the students to become outstanding professionals. Our students have been winning prizes at national and international levels in Business plans, Debate competitions, etc.

Based on my experience at leading Indian Universities / Institutions in India and UAE, I can say for sure that our students can contribute to your organization when they are recruited. Recruiters' feedback on our students overwhelmingly highlight their flexibility, motivation, commitment, and willingness to work anywhere in India in any role.

I am hopeful that your organization will provide our students opportunities for summer and final placements to prove their mettle.

INDIA RANKINGS 2023

Rank Band 101-125 in Management category

CHANDRAGUPT INSTITUTE OF MANAGEMENT PATNA (CIMP)

was established as an autonomous institution in 2008 with active support from the Government of Bihar.

THE INSTITUTE

Chandragupt Institute of Management Patna (CIMP) was established as an autonomous institution in 2008 with active support from the Government of Bihar. The institute was established with the objective of contributing substantially to the academic and development credentials of Bihar, while fulfilling the primary role of teaching students to become professional managers.

CIMP offers a two-year full-time Post Graduate Diploma in Management (PGDM), approved by AICTE and accredited by NBA. The programme is recognised by the Association of Indian Universities (AIU) as equivalent to MBA.

CIMP has also started AICTE approved Fellow Programme in Management (FPM) and Executive Fellow Programme in Management (EFPM).

CIMP has also introduced 2 years full time PGDM - (IEV) Innovation, Entrepreneurship & Venture Development, approved by AICTE.

In a short span of over 15 years CIMP's achievements are known to the corporate world and has been able to place its graduates in various companies of national and international repute, such as Tata Advanced Systems Limited (TASL), ITC Ltd., JEEViKA, ICICI Bank, IDBI Bank, HDFC Ltd., HDFC AMC, Utkarsh SF Bank, Prism Johnson Cement, COMFED, Berger Paints, IndusInd Bank, Marico, Asian Paints, Airtel, Amul, Colgate Palmolive, LIC, I-PAC, Bandhan Bank, BYJU'S, Fino Payments Bank Ltd., Aditya Birla, Kent RO, DCB Bank etc.

Program Educational Objectives (PEO)

- Graduates will possess professional skills for employment and lifelong learning in management.
- Graduates will attain a general level of competence in management through logical and practical approach to problem solving and function effectively as skilled managers.
- Graduates will adapt to a rapidly changing environment with learned and applied new skills and become socially responsible and value driven citizens committed to sustainable development.

Program Outcomes (PO)

Programme Outcomes describe what students are expected to know and are able to perform or attain by the time of graduation. These relate to the skills, knowledge and behavior that students acquire during the programme. PGDM students of CIMP are expected to attain the following:

- **Critical Thinking and Problem Solving:** Students should be able to apply the perspective of their chosen concentrated area of study to develop fully-reasoned opinions on such contemporary issues as the need for innovation, integrity, leading and managing change, globalization, and management.
- **Cross-Disciplinary Integration and Strategic Perspective:** Students should be able to conceptualize, organize, and resolve complex business problems or issues by using the resources available under their discretion.
- **Leadership Skills:** Students should be able to document their participation in, and contribution to, student organizations, business or consulting projects, internship opportunities, or other sanctioned initiatives.
- **Team-work:** Students should be able to determine the effectiveness with which goals are defined and achieved in team environments, to assess the contributions made by themselves as well as by their peers within those environments, and to identify and resolve conflicts.
- **Communication Skills:** Students should be able to demonstrate the ability to listen and to read attentively, and to express ideas with clarity in both oral and written communications.
- **Modern Tool Usage:** Students should be able to create, select, and apply appropriate techniques, resources, and modern management and IT tools including prediction and modelling to complex management activities with an understanding of the limitations.
- **Environment and Sustainability:** Students should be able to understand the impact of the professional management solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
- **Ethics:** Students should be able to apply ethical principles and commit to professional ethics and responsibilities and norms of the managerial practice.
- **Life-long Learning:** Students should be able to recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the industry.
- **The Manager and Society:** Students should be able to apply reasoning informed by the contextual knowledge to assess societal, legal, ethical and cultural issues and the consequent responsibilities relevant to the professional managerial practice.

VISION

To become a nationally and internationally relevant management education and research institution focusing on excellence.

MISSION

To focus on enriching the management education profile of Bihar through training, research and consulting activities. To establish centers of research especially focusing on the development issues of Bihar.

CIMP ranks amongst the India Rankings 2023, Rank Band 101-125 in Management Category. NIRF is the only ranking approved by the Ministry of Education (MoE), Government of India which outlines a methodology to rank institutions across the country.

The ranking methodology draws from the overall recommendations and broad understanding arrived at by a core committee set up by MoE. This committee identifies the broad parameters for ranking various universities and institutions. The parameters broadly cover "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception".

Teaching, Learning and Resources

parameter covers student strength, including Doctoral Students, Faculty-Student ratio with emphasis on permanent faculty, combined metric for Faculty Qualification and Experience, and Financial Resources and their utilisation.

Research and Professional Practices

parameter covers combined metric for publications, combined metric for quality of publications, footprint of projects, professional practice and executive development programs.

Graduation Outcomes

parameter covers combined metric for placement and higher studies, metric for examinations, and median salary.

Outreach and Inclusivity

parameter covers percentage of students from other states (regional diversity), percentage of women (gender diversity), economically and socially challenged students, and the facilities for physically challenged students.

Perception

parameter covers peer perception including employers & academic peers' perception about the institute. This is done through a survey conducted over a large category of employers, professionals from reputed organizations and a large category of academicians to ascertain their preference for graduates of different institutions and a comprehensive list is prepared taking into account various sectors, regions, etc.

KEY HIGHLIGHTS

- Case study based teaching is followed. Majority of these cases are drawn from Harvard Business Publishing and Ivey Publishing
- Excellent placement of graduating students since the first batch
- Faculty members have participated in 47 International and 40 National Conferences
- Started Business Analytics Lab in collaboration with International Business Machines Corporation (IBM)
- CIMP Business Incubation and Innovation Foundation (CIMP-BIIF)
- Received NBA accreditation

CAMPUS INFRASTRUCTURE

Our eco-friendly campus is located in Mithapur, which is 4 km away from Patna airport and 1.5 km away from Patna Junction railway station. CIMP has a state-of-the-art academic cum residential campus spread over 10 acres of land. The campus consists of an Academic Block, MDP block, Auditorium, Hostels for boys and girls, Extracurricular Activity Block, accommodation for teaching & non-teaching staff, a Guest House for visiting faculty and distinguished guests, and the Director's residence.

CIMP's academic block has six large lecture halls, classrooms, Computer Centre, Language Lab, IBM Business Analytics Lab, Startup Incubation Centre and Library. The entire campus is Wi-Fi enabled. All classrooms and conference rooms are air conditioned and well equipped with LCD screens and Projectors to facilitate learning and interaction.

Library

The state-of-the-art Library Resource Centre (LRC) is a major facilitator of CIMP's teaching, learning, training, and research activities. The library resource centre is one of the best in the country. The library has the facility to access e-resources as part of its resource collaboration with Harvard Business School Publishing (HBSP) and DELNET (Developing Library Network New Delhi), INFLIBNET and NDLI.

The library stocks (all within a very short period of 15 years) more than 18052 books, 12 print journals/magazines, 19 newspapers (print), 1078 Harvard classic collections, 500 handbooks and non-book materials, including 900 CDs received with books, 102 videos and 278 audio collections. Students can access more than 5223 full text journal titles through EBSCO, ProQuest etc. The library also subscribes to business databases such as ProwessIQ, Socio-Economic Statistics database such as Indiastat, and Legal research database such as SCC Online Web Edition Platinum.

ProQuest database provides a single source for scholarly journals, newspapers, dissertations theses, reports, working papers, and datasets along with millions of pages of digitized historical primary sources and more than 21,000 e-books. JSTOR is a digital library for scholars, researchers, and students. JSTOR provides access to more than 12 million academic journal articles, books, and primary sources in 75 disciplines. The EPWRF India Times Series (EPWRFITS), interactive online database with its comprehensive coverage of Indian economy for a fairly long time period and it comprises over a lakh variables capsuled in 27 modules. PASW 13, Clementine, Stata, EViews and reference management software like EndNote. The Library offers user services such as RFID Automated System, Document Delivery Service, Web OPAC powered by VTLS, Bibliographic Service, Institutional Repository, Open Video Digital Library, Virtual Reference Service, etc. The students have 16 hours access to the library; they can easily access the library online from their hostel rooms.

Language Lab

CIMP has started a standalone Language Lab for language tutorials. Students who opt for remedial English classes get additional support through this Lab. Language Lab is equipped with latest audio-visual devices. Students not proficient in English get benefited.

Auditorium

CIMP campus has a 500 seater, centrally air conditioned auditorium. The auditorium is the hub of all co-curricular activities. It has hosted several programs such as SPIC MACAY cultural programs, annual business fest, seminars, industry interactions and annual convocation. The auditorium is equipped with ultramodern equipments including audio-visual systems.

Computing Facilities

Information Technology (IT) is an integral part of the success of any leading management institute. Therefore, IT and e-enablement at the campus is a critical component of CIMP's focus towards excellence. The computing facilities available in the CIMP includes:

- A well-equipped and state-of-the-art computer lab with the latest hardware (Server, Firewalls, multimedia computers, network printers, and other leading accessories) and communication specifications having uninterrupted Wi-Fi/LAN connectivity round-the-clock.
- High-speed NKN (National Knowledge Network) Internet connectivity with 100 Mbps (1:1).
- Secure firewall throughout the entire network.
- Real-time implementation of RFID (Radio Frequency Identification) system in the Library, a technology to uniquely identify the books.
- Licensed version of leading statistical software like SPSS 17, AMOS 18, PASW 13, Clementine, and Stata.
- Plagiarism detection software.
- In-house development and successful implementation of e-examination software & MIS.

Quality Improvement Cell (QIC)

Quality Improvement Cell has been developed for the students to promote self-learning and to learn beyond the syllabus to enhance knowledge.

RESEARCH & CONSULTING ACTIVITIES

CIMP's faculty is engaged in cutting-edge research in the field of management. The publications and conference presentations bear testimony to the research quality produced by CIMP's internal faculty team. Faculty members have presented their research papers at many international conferences. Moreover, many research papers of CIMP's faculty have been accepted for publication in international journals. Faculty members bring their research output and insights to PGDM classrooms which enrich classroom discussions.

CIMP is playing a leading role in contributing to the all round

development of the nation. Therefore, research areas, which have high contextual relevance and development implications for Bihar and India, in the next two decades, have been identified for starting CIMP's research centres. This is in addition to areas relevant to the Corporate World. The institute organizes conferences, workshops and seminars on a regular basis on these areas.

In addition to research centres, CIMP's faculty is actively engaged in consulting assignments for various industries and Government bodies. Most of these assignments are funded by International organizations like the World Bank, DFID etc.

The institute has initiated Centres of Research focusing on topics of contemporary relevance like:

Centre for Public Policy

Centre for Innovation Management

Centre for Micro-Enterprises Management and Capacity Building

Centre for Urban Studies

Centre for Appropriate Technology Management

NSE Academy Lab

Centre for Business Sustainability

Education Research Centre

Centre for Social Entrepreneurship

CIMP Business Incubation and Innovation Foundation (CIMP-BIIF)

Centre for Foreign Languages

Centre for Corporate Social Responsibilities Study

Centre for Agri Business Management

MANAGEMENT DEVELOPMENT PROGRAMMES (MDPs)

A major activity at CIMP is designing, developing and conducting innovative Management Development Programmes (MDPs) to train managers in the state of Bihar and rest of India. In this fast-changing business environment, working executives need to update themselves regularly and CIMP equips them with knowledge, skills and attitude required for delivering their best.

The MDPs are designed to provide insight into managerial concepts with a view to implement strategies in functional areas. The MDPs also help the practicing managers by providing an overall perspective for decision making and integrating functional and general management approaches.

So far, CIMP has successfully conducted 166 MDPs (trained

more than 7114). Some major clients are ICDS-CM SC/ST Entrepreneurship Scheme (Govt. of Bihar), Indian Oil Corporation (IOCL), Power Grid Corporation Ltd., Bihar State Khadi & Village Industries Board (Govt. of Bihar), BPSE (Govt. of Bihar), JEEVIKA, Department of Industries (Govt. of Bihar), Education Department (Govt. of Bihar), COMFED, BPSC (Govt. of Bihar), Department of Tourism (Govt. of Bihar), Department of Posts, Ministry of Communications (Govt. of Bihar) etc.

The Management Development Centre (MDC) can accommodate 90 at a time in air-conditioned, Wi-Fi enabled single-occupancy rooms. It also has state-of-the-art classrooms with Wi-Fi facilities and conference rooms.

PROGRAM DESIGN - PGDM

The residential two-year full-time NBA accredited Post Graduate Diploma in Management prepares students for careers in various industries and consulting companies. The program is designed to enhance the problem solving and decision making abilities of students and to create awareness on the socio-economic environment. The aim of the program is to produce managers with socially desirable values. CIMP students are exposed to latest developments in management discipline. During the first year of the program, students learn basic concepts in the areas of Business Communication, Finance & Accounting, Marketing, Systems, Organizational Behaviour, Human Resource Management and Operations & Quantitative Techniques. These core courses help the students in building a sound foundation in various functional areas. The program offers a pool of electives in the second year in various functional areas of management such as Marketing, Finance, and OB/HR. A student can distribute his/her choice of electives across one or more of the functional areas, subject to completion of the minimum number of credits required for the award of PGDM (Equivalent to MBA). The students are exposed to the case-based teaching methodology supported by at least 300 cases from Harvard Publications. Simulations, live projects, field assignments and role plays are integral part of the curriculum. Academic and research collaborations have been initiated with University of Lehigh for student exchange programme and other research activities.

CIMP- Business Incubation & Innovation
Foundation

STARTUP CELL AT CIMP

CIMP Business Incubation and Innovation Foundation (CIMP-BIIF) is the Startup Incubation Centre (SIC) of CIMP, which was started in the year 2017. The incubation centre is empanelled under Startup Bihar Policy 2017. Major thrust areas of the centre include startup projects from Edu-Tech, Fin-Tech, Ad-Tech, E-commerce and Health-Tech Sectors. In the year 2022, centre got listed with Startup India. The Incubation centre provides facilities like mentoring, plug and play office, co-working space etc. to start-ups.

BIIF as an innovation hub is a facility designed to support and nurtures the growth of new businesses and startup companies. It provides a range of resources, including mentorship, office space, networking opportunities, and access to funding, to help startups develop their business models and launch their products or services.

BIIF offers a structured program that helps entrepreneurs validate their ideas, refine their business plans, and develop their products or services. The program includes workshops, seminars, and one-on-one mentoring sessions with experienced entrepreneurs and industry experts.

Our incubation centers play an important role in supporting the growth of startups, fostering innovation, and driving economic development in their local communities.

VISION

Our vision is to facilitate a platform for empowering and scaling up business ventures with state of art mentoring support.

MISSION

To build a strong innovation led start-up ecosystem in Bihar maximizing the value to budding entrepreneurs, investors and society.

CIMP-BIIF Objectives

The objectives of CIMP-BIIF includes,

- Creating physical infrastructure and support systems necessary for business incubation activities
- Facilitating networking with professional resources including mentoring, expert consultation, business advisory; innovation led product testing facility and entrepreneurial activities.
- To expedite investment opportunities in the startups with excellent network of Angel Investors, Venture Capital firms, HNI's and global entrepreneurship organizations such as TiE.

CORPORATE CONNECT PROGRAMME

Over the time, CIMP has realized that students must be exposed to the corporate world from day one of their management education journey. Hence, we strongly focus on strategic corporate connect in our academic delivery system. It not only adds richness in the learning for students but also keeps them ahead with the fast evolving professional workplace. It is programme where students gain knowledge by learning various facets of real life corporate experience. As a part of the programme, middle to senior level executives, entrepreneurs and eminent industry experts from various fields and industry sectors are invited to share their practical experience in the context of theoretical discourse.

LIFE @ CIMP

A lot of learning in a business school happens outside the classroom. At CIMP, campus life is full of activities. CIMP has several groups, committees, and clubs run by students. Working together in small teams help students to understand the importance of team work. Students engage in a lot of recreational activities making the campus life vibrant.

Placement Committee

Placement committee coordinates CIMP's placement activities. The committee tries to match the requirements of the corporate world with the expectations of the students and facilitate in a smooth placement process. The committee also works closely with the industry to receive feedback on the institute's curriculum and students' competencies and performances.

Sangoshthi – Seminar Committee

This group coordinates and ensures media interface of seminars and conferences organized by the institute. The members are responsible for compering the seminar. The members summarize the main content of the seminar and document the entire programme. The committee is responsible for press releases, generating content and facilitating press conferences.

Fest Organizing Core Committee

The main responsibility of the committee is to conduct national level business fest annually. Members are supposed to propose the budget, take the initiative to raise funds to run the fest, prepare a programme layout, invite participants from other business schools and arrange logistics to support the fest.

Academic Committee

The committee plays a significant role in upholding and developing the academic standards at CIMP. It is an interface between the students, teachers and the PGP office. Academic committee assists in collating student's feedback, arranging remedial classes and helps students enhance communication skills.

E-Cell

E-Cell is a committee run by the students of CIMP that aims to unearth the latent entrepreneurial spirit of the young students. The mission of the E-Cell is to host workshops, guest speaker sessions, innovative games, and competitions for aspiring entrepreneurs. E-Cell supports the budding entrepreneurs by providing necessary resources such as seed funding, mentoring, consultancy, and networking. First time in India, CIMP has initiated "Women Entrepreneurs" cell.

Aahar – Hostel & Mess Committee

The mess committee monitors the smooth functioning of the students' mess. Hostel & Mess Committee is an integral part of CIMP community and aims at providing healthy, nutritious and homely food to the students.

Saarang – The Cultural Committee

Saarang, the cultural committee, is responsible for organizing and managing all the cultural events at CIMP. It brings a refreshing breeze to the otherwise rigorous lives of management students by providing them with the opportunities to showcase their talents. For Saarang, “Innovation is a routine, and creativity, a habit”. Saarang organizes major events like inter business school festivals and thus provides hands-on management experience to budding managers. The committee has successfully hosted concerts by eminent musicians in association with SPIC MACAY.

Alumni Committee

Alumni associations exist to support the organization's goals, and to strengthen the ties between alumni, industry & the parent organization. This committee recognizes fellow alumni who are distinguished by their loyalty, professional achievement and community service, assists current students and alumni in career planning, placement and transitions, encourages highly qualified and diverse prospective students to attend CIMP and promote the institute within one's sphere of influence.

Spardha – The Sports Committee

Spardha - The sports committee manages all the sports related events on the campus. Spardha's motto is to keep its future managers active and fit by participating in various indoor and outdoor games. This committee organizes annual sports events. The committee is also responsible for maintenance of sports infrastructure in the campus.

Editorial Committee

The committee aims to nurture creative, thinking and writing abilities of the CIMP student community. The members approach potential contributors to provide content by writing occasional editorials and other short articles for CIMP newsletters.

Samvedna – Social Marketing Club

Social Marketing Club (SMC) is an innovative initiative of CIMP which acts as a catalyst in development of Bihar. It has been actively engaged in creating awareness among students regarding social responsibility. Social Marketing concept is frequently used for bringing change to socially accepted attitudes and behaviour in diverse areas such as the use of seat belts in cars, drug abuse, smoking, organ donation, waste disposal, traffic sense, etc. Social Marketing Club is a “one-of-its-kind” initiative in the Indian management education space.

IT Committee

IT committee takes care of IT requirements including campus intranet, installation of software, and troubleshooting. The IT Committee acts as a liaison between the students and the computer centre to fulfill the requirements of software, educational documentaries, journals, e-books, etc.

Adovation – Advertisement Committee

Adovation Committee connects CIMP with the people through Social media platforms & Professional websites like Facebook, Twitter, LinkedIn, Instagram etc. It helps in promoting the activities happening in the campus.

FINAL PLACEMENTS 2023

Chandragupt Institute of Management Patna (CIMP) is well known for its excellent track record of campus placements for its PGDM graduating students. CIMP has excellent placements record for all fourteen passed out batches. A number of high profile corporate houses visited CIMP during last placement season to hire young management graduates for various positions. The year-on-year stupendous success in placements has been the result of CIMP placement team's constant engagement with the corporate world and the invaluable training imparted to students.
