Name of Event : Inauguration of the Entrepreneurship Development Programme (EDP) under Mukhyamantri Udhmi Yojana

Venue of Event : CIMP

Date of Event : 21st November, 2022

Organised By : CIMP

Today the Entrepreneurship Development Programme (EDP) under Mukhyamantri Udhmi Yojana at CIMP was inaugurated at CIMP. This training programme is supported by the Department of Industries, Govt. Of Bihar.

On this occasion, 39 trainees from this training batch were present, along with Chief Guest Mr. Sandeep Kumar, Project Manager, JEEViKa; Prof. (Dr) Rana Singh, Director CIMP, and Mr. Kumod Kumar, CEO of CIMP-BIIF, as guests and speakers. The training formally began when Mr. Kumod Kumar; Prof. (Dr.) Rana Singh; and Sangeet Kumar lit the ceremonial lamp. "CIMP, being a host institution, started training of the first batch in July 2018 and so far we have successfully finished numerous trainings," Prof. (Dr.) Rana Singh stated in the welcoming address. Additionally, CIMP's Startup Incubation Center, CIMP-Business Incubation & Innovation Foundation, is in charge of organising training this year. He also gave the participants a rundown of the training schedule and talked about the various components of the course, which would last until December 2nd, 2022. He continued, "The government's major goal is to make individuals independent through enhancing their knowledge and abilities." He went on to discuss the importance of a company's legal standing, how to register as an MSME, business starting procedures, and how to access government and bank assistance programmes. He claimed that you would learn how to work for a living, make a profit, and invest that money for future gains. Speaking at the same event, Mr. Kumod Kumar wished the candidates well in their future endeavours as entrepreneurs, congratulated them on their selection, and guaranteed that the training programme run by CIMP will be a tremendous learning experience. An entrepreneur should be curious, and everyone should make the most of their training days by learning as much as they can, Mr. Sandeep Kumar added, requesting that the participants query the faculty members in order to better comprehend.
